

PSX NATURE & BIOMES | MEGA PACK

Created by: Gataki

License Date: August 24th, 2026

This license defines the terms of use for both the **Free (Lite/Sample)** and **Paid (Full/Pro)** versions of the mentioned asset. By downloading or purchasing this package, you agree to the following terms:

LICENSE GRANT

Commercial and Personal Use: You are permitted to use, modify, and integrate the models, textures, and files into any project (games, films, animations, interactive arts).

Modification: You are free to alter the geometry, textures, or any component to fit your project's needs.

STRICT RESTRICTIONS (WHAT IS NOT ALLOWED)

Redistribution Prohibited: It is strictly forbidden to resell, sublicense, give away, or redistribute the files in this package, whether in original or modified form.

No Asset Bundling: You may not include these assets (even individually or as part of a set) in other asset packs, 3D model stores, or texture libraries.

No Exceptions: The redistribution ban applies to the full package or any individual part thereof.

CREDITS

Optional: Attribution to the author is not mandatory. However, credits are greatly appreciated and help support the development of future assets.
